Brothers and Sisters,

It looks like there is chance that spring is finally going to get here. It sure had been teasing us the last few weeks.

Officer nominations were held during the meeting on April 17th. We have two brothers willing to accept a trustee position that was open. For that reason, an election will be held on May 1st from 12:00 pm to 6:45 pm to determine who will fill the position. Hopefully you received an E-Mail from the club announcing this and were able to come in and vote. The results will be announced at the meeting that night.

Cash Bash will be held on May 5th. The Centerville Eagles is hosting the event this year. Please try to make it to this event. They have done a great job in the past hosing this event. Centerville has several hotels available to stay in.

The Past Presidents Breakfast will be held on May 13th. This is the second Sunday of the month. Many members are planning on attending the Cash Bash event on the first Sunday.

Have you renewed your membership for the upcoming year? This has to be done by May 31. We do not want to lose you!!!

Hopefully you were able to make it to 695 for the SOCK HOP. Feedback on what you thought of the event would be welcomed.

The required renovation of the kitchen is scheduled to begin in August. We still need many donations to help cover the cost of this project. An "HOUR GLASS" will be posted on the wall at the club so you can see the progress of fund raising when you stop in.

As my term being your president nears the end, I want to thank all of my brothers and sisters for the support I have received this past year. Although I am an 18 year member of 695, there were MANY things I would have fallen short on without the help from all of you. Nancy and I are not going anywhere so we will still be here to support the incoming officers and the club when needed.

Have a safe summer.

Denny Brown President

Brothers and Sisters,

Now that it is May maybe we will see spring finally come. We had a couple of events last month. First we had the Sock Hop with Twist and Shout as the band. It was a great night. With the help of many we had a great time. Thanks to Denny Brown and his committee the evening was a success. It would be nice if we could do it again next year. Then we had our anniversary luncheon. It is a good time to thank everyone for the help we get to make this a great club. We give out scholarship out to members students who are going on to college and we give out pins to those who have been members for a long time. This is a good chance to see other member and see what we do for the club and we have a very good meal by Jerry and Marge catering. There is a change to the past president breakfast it will May 13. It is also Mother's Day. We want to wish all the mothers a Happy Mother's Day .This is something that the Eagles started years that we are proud of it and we appreciate that we can honor all the mothers. We are now on a mission to raise money for our kitchen update on the ventilation which needs to be replaced. We will be having benefits and other events to help raise this money. So if you have any ideas let us know. I want to thank Jo Ann Le fever for donating a beautiful Quilt We are having a raffle for the quilt and the money is going to the kitchen project... So any help we get from the members will be greatly appreciated. Sadly to say, this is my last newsletter. I want to thank everyone for their help and support in making it a great year for me and the club. It was my pleasure to have served as your president; I want to wish Cindy Huff, your next president, a great year for all she has planned for us. Please help [her.in](http://her.in) all she does for us. This is a great club for We Are People Helping People. Chris Wendler

### Medical Supplies

One of the great benefits the Iowa City Eagles 695 provides to all is what we call a Medical Supply Closet. This is filled with different items such as walkers, crutches and many other medical supplies that are available to anyone in need of them. We are requesting that if you have received items or assistance from the closet and you are finished using the item that you please return the items to the Eagles. Also if you have any items at home that you would be willing to donate to the closet we would greatly appreciate the donation. This is an amazing benefit that we offer so please help support this cause. **THANKS!!**
